## DUKE UNIVERSITY TALENT IDENTIFICATION PROGRAM 4TH–6TH GRADE TALENT SEARCH

### 2017–2018 PSAT 8/9 Test

Duke TIP believes that exceptional academic talent should be celebrated through personal and public recognition. We hold special award ceremonies to honor students in fourth through seventh grades who meet certain score criteria on the above-level tests offered through TIP, bringing families together so they can celebrate the academic achievements of their students.

For the 4th–6th Grade Talent Search, Duke TIP honors students who have scored in the top ten percent on the PSAT 8/9 when compared to national test takers that are four grades above the TIP participant’s current grade level. The students listed below met this criteria for 2018 and are to be applauded for their outstanding academic performance on the PSAT 8/9.
